**SHORT TERM COURSE  
ON  
EDUCATIONAL LEADERSHIP**

(17th – 19th October, 2014)

Venue: CET, IIT Kharagpur

**Organized By  
Centre for Educational Technology  
Indian Institute of Technology Kharagpur**

Coordinator: **Dr. Atasi Mohanty, CET**

## Course Overview

Leadership is all about direction, influence and organizational improvement. Till date we have been talking about organizational leadership or corporate leadership. In fact leadership is an adjective mostly attached to the growth of industry. Rarely, we realize the importance of leadership in educational institutions. This course is planned and designed to help the participants to understand how educational leadership can transform and enhance the effectiveness of educational institutions. This course intends to focus on the academic community and to encourage individual members to develop various skills, competencies, abilities, to enhance their leadership skills. It will also help them to develop awareness into their self motivation, optimism and specific plans of actions for enhancing their leadership competencies. The course is specially designed for the teachers/faculty of AICTE approved technical educational institutions, colleges and universities.

## Course Objectives

- ✚ To educate the participants about various concepts, theories and models of leadership.
- ✚ To impart training on various skills and competencies of effective educational leadership.
- ✚ To help them to build educational institution through effective leadership.
- ✚ To assess and evaluate various leadership styles and giving feedback to participants how to practice effective leadership styles in educational setup.
- ✚ To make them aware of the role of leadership in bringing excellence in education.
