

Short Term Course
On

BIM And Computer Applications in Buildings And Infrastructure

For Working Professionals

Coordinator

Dr. Uttam Banerjee, Professor

Indian Institute of Technology
Kharagpur

Season – 3

3 To 12 July 2016

OVERVIEW

The complete course is spread over three modules, arranged sequentially, starting from Basic to Advance Levels. The course in general has no pre-requisites. Participants are advised to initiate learning from the Basic to Advanced levels in sequence.

	Course Content	Duration
Level – 1	Fundamentals of Building Information Modelling (BIM) and Basic Revit Applications	3 days (21 Hrs.)
Level – 2	Fundamentals of Building Information Modelling (BIM) and Advanced Revit Applications	3 days (21 Hrs.)
Level – 3	Building Information Modelling (BIM) and Revit MEP Applications and Interface for Large Projects	4 days (28 Hrs.)

Objective of the Course

- Theoretical understanding on Building Information Modelling, popularly known as BIM.
- Demonstration of interface between BIM and various related software (e.g. Revit, Inventor, CreO etc.).
- Hands-on computer application of 2D, 3D, MEP and manufacturing design / drawings and presentations.
- Sustainable design, Energy analysis, System analysis, spatial analysis, flow analysis etc.
- On completion of each course a '**Participation Certificate**' would be awarded by the CEP, IIT Kharagpur.

Course Schedule

The course would be organised in a fully air-conditioned environment, with a coverage of 40% Lectures and 60% guided hands-on computer applications, spread over 3 - 4 days for each level. The time schedule for each day would be 9.00 AM to 1.00 PM : Lunch Break : 2.30 PM to 5.30 PM. The participants have to report one day before the start date of each module.

Eligibility

This program is primarily targeted for the **Working Professional** from industry / corporate with the background in **Architecture / Civil / Mechanical** and **other Engineering disciplines**.

Capacity 30 Persons

The seats would be allotted on first-come-first-served basis. There may be provision for on-the-spot registration three days prior to the start date, subject to availability of seats and accommodation.

Course Fee

Rs. 14,000 for each level / Rs. 39,000 for all the levels for individual participation.

Boarding and Lodging

Accommodation and food may be arranged for all the outstation participants at IIT Kharagpur Guest houses / Student Hostels on payment basis, subject to availability, depending on prior request with advance payment through demand draft along with the application. Accommodation charges are given below.

Technology Guest House	: Rs. 600 per person per day (Twin sharing, Air-conditioned)
Student Hostel	: Rs.100 per person per day (Single room, Non Air-conditioned)
Food	: Rs. 350 per person per day (Approx.)

FACILITIES AT IIT KHARAGPUR

Accommodation

The institute is fully residential. Accommodation for visitors is arranged in the Technology Guest House, CEC Guest House, Alumni Guest House or CTS Visitors Hall, or if need arises, in a students' Hall of Residence. Students are accommodated in 20 Halls of Residence and the staff is provided with quarters.

Computer Network

The backbone of IIT Kharagpur network is based on gigabit fibre optic technology. All the Departmental LANs are connected to the gigabit fibre optic backbone as separate VLANs. All the laboratories and Guest houses are provided with Internet connectivity.

Associated Facilities

Banks : State Bank of India, Punjab National Bank, and Syndicate Bank.

Hospital : B. C. Roy Technology Hospital, inside the Campus.

Library : The Central Library offers about 300,000 volumes and 1400 periodicals in an open shelf system on different fields of science, technology, humanities and social sciences. The library is fully computerized and with access to foreign university libraries through wide-area network facilities. with Internet connectivity.

Auditorium : Two large auditoria with week-end recreational facilities.

Faculty Coordinator

Dr. Uttam Banerjee is a senior Professor, in the Department of Architecture & Regional Planning and Joint Faculty of the RCG School of Infrastructure Design and Management at IIT Kharagpur with more than 30 years of teaching and professional experience, and former Head of both the departments. He did his B. Arch, Master of City Planning and Ph.D. from IIT Kharagpur.

The course would be supported by experts and researchers from the industry and academia.

DATE OF REGISTRATION

For Season 3

Last Date for Registration :

15 days before the start date of the Course

Confirmation of Selection :

12 days before the start date of the Course

Spot Registration :

3 days before the start date of the Course

(subject to seat and accommodation availability)

APPLICATION PROCEDURE

For application, please download the registration form from the links below.

www.cep.iitkgp.ac.in, www.iitkgp.ac.in

Email the scanned copy of the filled application with a passport size photograph of the applicant in jpg format to the Coordinator.

Send the hardcopy of application along with the demand drafts by post to the contact address of the coordinator given below.

CONTACT DETAILS

Dr. Uttam Banerjee, Professor,
