IIT KHARAGPUR

Announces

THE 5 DAY SHORT TERM COURSE

3rd TO 7th June' 2014

"LAND ACQUISITION AND ENVIRONMENTAL CLEARANCE OF PROJECTS" (COURSE CODE: LAECP 2014)

DEPARTMENT OF MINING ENGINEERING

INDIAN INSTITUTE OF TECHNOLOGY
KHARAGPUR - 721302

"LAND ACQUISITION AND ENVIRONMENTAL CLEARANCE OF PROJECTS"

(Course Code: LAECP2014)

Land acquisition has got a new dimension after the passing of the new LARR bill. In a way it has given a new subject of discussion, "Land Management". Today land acquisition is linked to compensation, rehabilitation and corporate social responsibility. Additionally, the actual audit of land, reconciliation of maps and approval of holdings and boundaries are becoming a new area of knowledge, particularly for an agrarian economy largely comprised of poor and diverse people. Environment clearance is, without much doubt, the most important factor for project delay and cost overrun. Much of these arise from the mismatch of expectations between the two parties the developers and the regulators. Lot of energy and resources are lost due to lack of understanding the gaps between requirement and deliverance. In addition to the knowledge of the law the subject of clearance requires understanding of environmental science and technology, negotiations skill and corporate social responsibility

With this in mind the IIT, Kharagpur in terms of resource personnel co-operation with IBM, DGMS, DFOs and other relevant agencies has designed a short term course for the executives of the industry and public service and affairs "Land Acquisition and Environment Clearance of Mining Projects" to be held at the Department of Mining Engineering, IIT, Kharagpur on 3rd to 7th June ' 2014.

TOPICS:

1. New LARR Act.
2. Land related issues in India.
3. Land Measurement.
4. Role of Administrators.
5. Role of Civic and Village bodies
6. Compensation Design for Long-term Results.
7. Environmental Science of Soil, Air and Water.
8. Comprehensive Environmental Impact Assessment Criteria and Checklists.
9. Public Hearing Conduct.
10. Health and Safety.
11. Dealing with Consultants and Report Preparation.
12. Preparation for Defense for Clearance.
