Strength

The internal strength of IIT Kharagpur comprises of multidisciplinary human resource -based skill in industrial and public health safety and environmental management. There are highly developed laboratories on environment, health and safety and monitoring and measurement. In addition, experts from other public and private agencies will be called upon to provide guidance and education to the course participants. Hands on training will be provided to the participants during the course.

Faculty :

IIT Kharagpur has a very experienced core faculty to teach the different aspects of the course. Experts from CBWE, CLC, DGET, DGFSLI, DGMS and MoEF and the prominent speaker- experts from the industry will be invited to deliver the talks practical suggestions.

About the convener :

Dr. Jayanta Bhattacharya, FNAE is a professor of standing in Mining Engineering. He has 8 books and more than 200 technical papers in many national and international journals. He works with many public and private agencies. He is a member SEAC, West Bengal. He has also served as member in different committees of Planning commission and MoEF, Delhi.
