In the event that any of the stores supplied by the Contractor is found defective in material or workmanship or otherwise not in conformity with the requirements of the Contract specifications, the purchaser shall either reject the stores or request the Contractor, in writing, to rectify the same. The Contractor, on receipt of such notification, shall either rectify or replace the defective stores free of cost to the purchaser. If the Contractor fails to do so, the purchaser may at his option either –

a) replace or rectify such defective stores and recover the extra cost so involved from the Contractor, or

b) terminate the Contract for default as provided under clause 8 above, or

c) acquire the defective stores at a reduced price considered equitable under the circumstances. The provision of this article shall not prejudice the Purchaser's rights
10. REPLACEMENT:

If the stores or any portion thereof is damaged or lost during transit, the Purchaser shall give notice to the Contractor setting forth particulars of such stores damaged or lost during transit. The replacement of such stores shall be effected by the Contractor within a reasonable time to avoid unnecessary delay in the intended usage of the Stores. In case the purchaser agrees, the price towards replacement items shall be paid by the purchaser on the basis of original price quoted in the tender or as reasonably worked out from the tender.

11. TERMINATION FOR INSOLVENCY

SRIC, IIT KGP may at any time terminate the Contract by giving written notice to the Supplier/Agency, without compensation to the Supplier/Agency. If the Supplier/Agency becomes bankrupt or otherwise insolvent as declared by the competent court provided that such termination will not prejudice or affect any right of action or remedy which has accrued or will accrue thereafter to SRIC, IIT KGP.

SECTION - IV

Special conditions of the Contract: -

1. The special conditions of the contract shall supplement the ‘Instructions to the Bidders’ as contained in Section II & "General Conditions of the Contract" as contained in Section III and wherever there is a conflict, the provisions herein shall prevail over those in Section II and Section III.

2. If the date fixed for opening of bids is subsequently declared as holiday by the Government of India, the revised schedule will be notified. However, in absence of such notification, the bids will be opened on next working day, time and venue remaining unaltered.

3. Purchaser reserves the right to disqualify such bidders who have a record of not meeting contractual obligations against earlier contracts entered into with the purchaser.

4. Any clarification issued by purchaser in response to query raised by prospective bidders shall form an integral part of bid documents and it may amount to amendment of relevant clauses of the bid documents.

5. Purchaser reserves the right to blacklist a bidder for a suitable period in case he fails to honour his bid as per bid declaration form.

6. The bidder has to arrange demonstration of the product to be supplied at his own cost.

7. The Agency shall be responsible for compliance of all applicable laws, codes, statutory Regulations & established practice as required for performance of services under this contract. Whether now in force or which may hereinafter come in force during the currency of the contract and or extension thereof.

8. Invoices should be in the name of The Dean (SRIC), IIT Kharagpur, Kharagpur-721302, Dist: Paschim Medinipur, West Bengal, India.
SECTION – V
DETAILED TECHNICAL SPECIFICATIONS

Mono-PERC 42 kWp PV Power Plant for Nalanda Roof top

Some Important Notes

- Outline of the scheme of the project: mono-PERC 42 kWp PV Power Plant for Nalanda Roof top.
- The capacity of the PV Power plant will be minimum 42 kWp.
- The PV array will be installed at the available space marked at Nalanda building rooftop project site.
- The power from PV array will be fed into grid through a grid tied string inverter of minimum nominal capacity 30 kW, 3Ø 415 V 50Hz AC.
- Outputs of the grid-tied string inverter will be terminated to an Inverter LT Panel to be located close to the inverter.
- The output of the Inverter LT Panel will be terminated and connected with supply mains through a Grid interfacing LT Panel.
- An Export Import Energy Meter to be installed at any suitable location at the output of Inverter LT panel and before connected to the mains to measure the energy produce from the PV Power Plant.
- The Grid –tied string Inverter, Inverter LT Panel will be installed in suitable kiosk with proper security and protection with arrangement of proper shed (if required).
- The SPV power plant to be installed should be Robust, Economic, Efficient and Time tested and having a good aesthetic view matched with the Building.

Solar module type

- The Cell of the Modules will be mono crystalline silicon must be Advanced mono-PERC. The capacity will be considered as per declared capacity in the published technical brochures of the proposed PV Module Manufacturer. Minimum capacity of each PV Module to be used is 72 cells – Minimum 390 Wp at STC (without any negative tolerance).
- The PV modules must qualify the relevant IEC 61215 or IS 14286 and IEC 61730 OR Equivalent IS standard. The proposed PV Module must have the Test Certificate issued from accredited test laboratories of MNRE Government of India under NSM Program. The test certificates issued from IEC accredited laboratories will also be acceptable.
- Each PV module used in this solar power project must use an RF identification tag. The information must be mentioned in the RFID used on each module as per guideline of MNRE Government of India (This can be inside or outside the laminate, but must be able to withstand harsh environmental condition).
- Efficiency: Minimum 15%
- Withstanding Voltage: 1000 VDC
- Junction Box: IP 67 OR Above.
During Structural design following points must be including but not limited to the following:

(ii) The structural condition of the roof / type of roof / type of roof treatment (if any) should be precisely assessed by the contractor before execution of work and in case of any decision regarding availability of suitable shadow free and structural sound roof space, the matter is to be taken up with IIT Concern Department in writing.

(iii) The PV Array should be capable of withstanding a wind load of 150 km/hr after installation.

(iv) All structures including any metallic part thereof must be protected against any corrosion. The structures must also be compatible with the materials used in the module frame, fasteners, fixtures, nuts, bolts or any similar nature of metallic components whichever are required to complete the job.

(v) The array structure will be made of Hot-dip galvanized MS structure and the galvanizing thickness will be according to IS 4759. No deviation will be allowed by IIT Concern Department at the time of execution of the work.

(vi) Structures will be supplied inclusive of all member’s compatible for allowing easy installation and complete in all respect as per the approved design & drawing.

(vii) The module mounting structure will have to be designed and fabricated with tilt angle for obtaining optimum generation from the PV power Plant as per site condition.

(viii) The structures will be designed for simple mechanical and electrical installation.

(ix) The PV Array structure will support SPV modules as per the designed orientation and absorb, transfer the mechanical/significant loads to the ground or any suitable/existing permanent roof structure as deemed fit.

(x) All Nuts & Bolts, fasteners, jointing materials of PV Module mounting Structure, PV Module fixing nuts and bolts with the PV Module Mounting structure must be Stainless Steel (SS).

Dear Sir,

Having examined the conditions of contract and specifications including addenda Nos. (If any) the receipt of which is hereby duly acknowledged, we, undersigned, offer to provide as per tender terms and conditions in conformity with the supply of the equipment, conditions of contract and specifications for the sum shown in the schedule of prices attached herewith and made part of this Bid.

We undertake, if our Bid is accepted, to commence deliveries within schedule time frame and to complete delivery of all the supplies specified in the contract within as per schedule calculated from the date of issue of your purchase order/RO.

If our Bid is accepted, we will obtain the performance guarantees of a Scheduled Bank for 3% of the cost of equipment.

We agree to abide by this Bid for a period of 90 days from the date fixed for Bid opening and it shall remain binding upon us and may be accepted at any time before the expiration of that period.

Until a formal Purchase Order of Contract is prepared and executed, this Bid together with your written acceptance thereof in your notification of award shall constitute a binding contract between us.

We understand that you are not bound to accept the lowest or any bid, you may receive.

We have applied and have submitted required bid security as per clause 8, section II of tender document.

PERFORMANCE SECURITY GUARANTEE BOND

In consideration of Indian Institute of Technology Kharagpur, (SRIC) (herein after called the “SRIC, IIT KGP”) having agreed to exempt ________________ (hereinafter called “the said contractor(s)”) from the demand under the terms and conditions of an agreement/(Purchase Order) No ________________ dated ____________ made between ________________ and ________________ for ________________ (hereinafter called “the said agreement”), of security deposit for the due fulfilment by the said contractor(s) of the terms and conditions contained in the said Agreement, on production of the bank guarantee for ____________________________________________________we, (name of the bank) ________________ (hereinafter refer to as “the bank”) do hereby undertake to pay to SRIC, IIT KGP an amount not exceeding ________________ against any loss or damage caused to or suffered or would be caused to or suffered by SRIC, IIT KGP by reason of breach by the said contractor(s)’ of any of the terms or conditions contained in the said Agreement or by reason of the contractors(s)’ failure to perform the said Agreement.

2. We (name of the bank) ________________ do hereby undertake to pay the amounts due and payable under this guarantee without any demure, merely on a demanded from SRIC, IIT KGP stating that the amount claimed is due by way of loss or damage caused to or would be caused to or suffered by SRIC, IIT KGP by reason of breach by the said contractor(s)’ of any of the terms or conditions contained in the said Agreement or by reason of the contractors(s)’ failure to perform the said Agreement or roll out the supply as per schedule V & parameters for failure of compliance of intellectuals property rights. Any such demand made on the bank shall be conclusive as regards the amount due and payable by the Bank under this guarantee where the decision of SRIC, IIT KGP in these counts shall be final and binding on the bank. However, our liability under this guarantee shall be restricted to an amount not exceeding ___________________________________.

3. We undertake to pay to SRIC, IIT KGP any money so demanded not withstanding any dispute or disputes raised by the contractor(s)/Supplier/ Agency(s) in any suit or proceeding pending before any court or tribunal relating thereto our liability under this present being absolute and unequivocal. The payment so made by us under this bond shall be valid discharge of our liability for payment there under and the contractor(s)/Supplier/ Agency(s) shall have no claim against us for making such payment.

4. We (name of the bank) ________________ further agree that the guarantee herein contained shall remain in full force and effect during the period that would be taken for the performance of the said agreement and that it shall continue to be enforceable till all the dues of SRIC, IIT KGP under or by virtue of the said Agreement have been fully paid and its claims satisfied or discharged or till expiry of 90 days beyond the date on which the warranty period of the equipment(s) expire.

5. We (name of the bank) ________________ further agree with SRIC, IIT KGP that SRIC, IIT KGP shall have the fullest liberty without our consent and without affecting in any manner our
