2. Prof. In-charge IIC – with a request to upload the corrigendum in the Institute Wed site.
3. Superintending Engineer(E & M)
4. Dy. Registrar (S&P)
5. Dy. Registrar (Audit)
6. Mr. S. Ghosh, Sr. Executive .Engineer (Elect).
7. Mr. M. Kumar, Sr. Executive .Engineer (Elect).
Notice Inviting Quotation

Quotation No: - IIT/E/E&M/2021-22/Qtn./22 Date: 24.09.2021

Sealed quotations on item rate basis are invited by Superintending Engineer (E&M) from registered Electrical contractors of IIT Kharagpur/CPWD/MES/WBPWD/Kharagpur municipality and other bonafide contractors having valid GST, PAN and updated Electrical contractor license for below mentioned work. The approximate cost of the work is ₹ 1,03,026/- (Rupees One lakh three thousand and twenty six only)

NAME OF THE WORK: Electrical works associated with Installation of New Outdoor Feeder box and shifting of Old PCC Panel from office to outside of Materials Science Centre at IIT Kharagpur.

ISSUE OF QUOTATION : FROM 24.09.2021

LAST DATE OF SUBMISSION OF QUOTATION : 08.10.2021 UPTO 11.00 AM

QUOTATION OPENING DATE : 08.10.2021 TIME: 11.30 AM

The following documents to be submitted at the time of submission of bid:

  i) GST
  ii) PAN
  iii) updated Electrical contractor license
  iv) NSIC/MSEs Registration Certificate OR Bid Security Declaration Form (Annexure-III)

ELIGIBILITY CRITERIA

1.1.1. The bidder must be registered in appropriate class of works with Government organization like CPWD/ PWD/ MES or PSUs or OEM or Authorized supplier and installer of OEM (Authority must be signed by OEM official not lower than General Manager or equivalent in corporate structure or those having experience in similar nature of works awarded by Government / Semi Government Organizations/ Government Funded Autonomous Organization.

1.1.2. The bidder must have done at least 1 (ONE) similar work of value of 80% of the estimated cost or 2 (TWO) similar works for projects each of value 60% of the estimated cost or 3 (THREE) similar work for projects each of value 40% of the estimated cost with Government/ Semi-government/ PSU/ Government Funded Autonomous Organization during last 7 (seven) years preceding last date of the month of tender submission.

Note:

(i) The estimated cost is ₹ 1,03,026/- (Rupees One lakh three thousand and twenty six only)

(ii) The value of executed works shall be brought to current costing level by enhancing the actual value of work at simple rate of 7% per annum; calculated from the date of completion to the last date of receipt of applications for tender.

(iii) Similar works shall mean: Electrical maintenance and renovation works.
1.1.3. The bidder or the specialized agency the bidder intends to associate with must be registered with appropriate government authority as a bonafide business entity and must have GST registration certificate, Permanent Account Number of income tax.

1.1.4. Electrical work shall be executed by selected bidder

1.1.5. The validity of the registrations and licenses should be valid as on the date of tender submission.

1.1.6. The registrations and licenses should be valid during the execution phase.

Copy to:
1) Chief Engineer
2) Chief System Manager
3) Mr. S. Ghosh, Sr Executive Engineer(EW)
4) Mr. M. Kumar, Sr Executive Engineer(EW)
5) Executive Engineer (EW)
6) Engineer (EW)
7) Sr. Assistant/Assistant / Junior Engineer (E&M)
8) Notice Board
9) Office file

Superintending Engineer (E&M)
1. INFORMATION TO BIDDERS

1.1. SCOPE OF WORK

1.1.1. The IITKGP intends to award the work of "Electrical works associated with Installation of New Outdoor Feeder box and shifting of Old PCC Panel from office to outside of Materials Science Centre at IIT Kharagpur". The scope of work will also include Testing and commissioning of Transformer at factory after repairing and at site as per CPWD General Specifications for electrical works, Part-IV- Substation with up to date amendments.

1.1.2. Constraint: The job needs to be executed in Academic/Main building area without causing any disturbances to the normal functioning of offices/classes/departments and also road networks.

1.1.3. The vendor shall work out execution sequence and methodology so as to complete the project within the envisaged time and the estimated cost, duly handling the constraint mentioned above.

1.2. GENERAL INSTRUCTIONS

1.2.1. Bidding documents are to be obtained electronically through websites: on http://www1.iitkgp.ac.in/topfiles/tenders.php or https://eprocure.gov.in/epublish/app

1.2.2. This bid document shall be read in conjunction with GCC (General Conditions of Contract) available on http://www1.iitkgp.ac.in/topfiles/tenders.php.

1.2.3. The bidder shall visit and inspect the site and obtain all information on his own responsibility and at own cost, which may be necessary for the purpose of quoting and submitting the tender. No excuse or ignorance as to site conditions and local information shall be accepted after awarding of the contract. Access to the site will be granted by the Engineer-in-charge on all working days within working hours.

1.2.4. IITKGP shall not provide any space at site for labour hutsments.

1.2.5. All clarifications about the tender shall be sought by bidder on or before 08.10.2021, 11.00 AM through e-mail to the Engineer-in-charge, Mr. S. Sarkar, Executive Engineer
Tel: 03222-282533, Email: ssarkar@hijli.iitkgp.ernet.in

1.2.6. Completion certificate issued by Competent Authority will only be considered as credential. If the Completion certificate issued by Competent Authority does not reflect the type of work, then Final bill / Schedule of Quantity of the qualifying works also to be attached along with the Completion certificates. Certificate from private individuals / organizations for whom such works have been executed shall not be accepted.

1.2.7. The bidding document (consisting of specifications, the schedule of quantities of various types of items to be executed, the set of terms and conditions of the contract and other documents / drawings, if any), Addendum/Corrigenda, Clarifications to Pre-bid queries can be downloaded from the websites http://www1.iitkgp.ac.in/topfiles/tenders.php or https://eprocure.gov.in/epublish/app Corrigenda, if any shall be published only on these websites at any time before the closing time of tender.

1.2.8. The institute shall not be responsible for any delay / difficulties / inaccessibility of downloading facility for any reason whatsoever. The tenderers who have downloaded the tender documents from website must visit the website and ensure that such addendum(s)/corrigendum(s) (if any) is also downloaded by them. This shall be the responsibility of the prospective registered bidders to check the web site for any such corrigendum/addendum before closing time of tender and ensure that bid submitted by them are in accordance with all the corrigendum's/addendums.

1.2.9. All costs, charges & expenses that may be incurred in connection with the preparation of his tender shall be borne by him and the Institute accepts no liability whatsoever therefore.

1.2.10. Rates quoted by the bidders shall be inclusive of GST (Goods and Services Tax - Central, State and Interstate) and all applicable taxes. Income Tax and all other statutory deductions like labor cess etc. will be deducted from the bill as per prevailing rules.

1.2.11. Exemption to IITKGP against any tax/ duty/ fee/ surcharge/ charge/ cost, if any, found applicable or sought later from IITKGP after award shall be passed on to IITKGP by the contractor without dispute.

1.2.12. IITKGP reserves the right to reject any or all of the bids without assigning any reason.

1.2.13. Bid Validity: Bid shall remain valid for 120 days from the date of submission.
1.2.14. Firm Price: Bidder’s quoted Rates/Prices for executing the activities under the Contract shall remain firm till completion of the entire work & shall not attract any escalation under any circumstances whatsoever.

1.2.15. If any information furnished by the bidder is found as false / fabricated, then his bid will be rejected and treated as cancelled. Even if such manipulation is detected at any stage after signing of the contract, it would lead to termination of the contract besides enforcing actions as mentioned in the Bid Security Declaration Form (Annexure-III) and liabilities towards prosecution. In such cases the bidder will be debarred from participation in future tendering process in IITKGP for next 05 (Five) years.

1.2.16. Earnest Money Deposit (EMD) of requisite amount and that in prescribed mode or proof of payment thereof shall be submitted with the Technical Bid explained in following section. MSEs registered with District Industries Centers, National Small Industries Corporation and any other body specified by Ministry of MSME or Startups as recognized by Department of Industrial Policy and Promotion shall be exempted from payment of EMD in the bid. The self attested photocopy of their evidence should be submitted by the bidder(s) along with the formal request letter for exemption.

(i) In case the NSIC/MSEs registration certificate is found invalid during evaluation, the bid of such bidder shall be rejected.

(ii) Bidder so exempted for submission of EMD shall have to submit an undertaking as per Annexure-II.

(iii) Bidder not having NSIC/MSEs registration has to submit Bid Security Declaration Form (Annexure-III) alongwith an undertaking as per Annexure-II.

Tender Document

Sealed quotations on item rate basis are invited by Superintending Engineer (E&M) from enlisted and approved Electrical contractors of IIT Kharagpur /CPWD/MES/WBPWD/Kharagpur municipality and Other bonafide contractors having valid GST, PAN and updated Electrical contractor license

The work to be completed within **30 days** from the date of acceptance of work order placed by IIT Kharagpur

1. The Bidders are required to complete quotation, quote rate as per the schedule of quantities and sign on each page of tender documents before submission. The quotation will not be accepted other than our format. The completed set is to be enclosed in a sealed envelope addressed to:

Superintending Engineer (E&M)
Indian Institute of Technology, Kharagpur
Kharagpur -721302 (WB)

Tenders will be received up to **11.00 AM on 08.10.2021** with all necessary documents i.e. GST, PAN and Electrical contractor license in the office of Estate (E & M), Old Building, IIT Kharagpur.

Agency has to submit the self-attested copy of the documents. Without these documents tender will not be accepted.

2. No tender will be received after the expiry of the date and time notified for receiving tenders under any circumstances whatsoever.

3. The tender will be opened at **11.30 AM on 08.10.2021** at above address in the presence of authorized representative of Bidder and Tender opening committee of IIT Kharagpur

4. Tender shall remain valid for acceptance for a period of 120 days from the notified last date of tender submission.

5. The price should be for the complete finished item of work and include all labour charges, material, taxes, overhead, duties, cess etc.

6. All tenders in which any of the prescribed conditions are not fulfilled or incomplete in any respect are liable to be rejected.

7. The Institute reserves the right to reject any or all bid without assigning any reason. If any information
furnished by the applicant is found incorrect at a later stage, he shall be debarred from tendering and taking up of any work in IIT Kharagpur.

8. The quantities given in BOQ against each items may vary i.e. increase or decrease as per site requirement, but rate will be firmed.

9. This tender notice shall form part of the contract documents.

10. Penalty will be imposed against delay of work as per the Institute rule.

11. The agency is fully responsible for the safety of working personnel and has to follow all government safety rules.

12. All the Govt. labour rules, regulations and latest Indian Electricity Rule are followed by the contractor while executing the Electrical work.

13. All statutory deduction will be deducted as per government rules.

14. Rates quoted by the contractors in item rate tender in figures and words shall be accurately filled in so that there is no discrepancy in the rates written in figures, and in word. However, if a discrepancy is found the rates which correspond with the amount worked out by the contractor shall be taken as correct.

15. If the amount of an item is not worked out by the contractor or it does not correspond with the rate written either in figures or in words that the rate quote by the contractor in words should be taken as correct.

16. Where the rate quoted by the contractor in figures and in words tally but the amount is not worked out correctly, the rate quoted by the contractor will be taken as correct, not the amount.

17. The Tenderer whose tender is not accepted shall not be entitled to claim any costs, charges and expenses incidental to or incurred by him through or in connection with his submission of tender or its consideration by the Purchaser, even though the Purchaser may elect to modify/withdraw the Invitation to Tender or does not accept the tender.

18. Bidders are requested to witness the bid opening.

19. Bids shall, first, be checked for NSIC/MSEs registration certificate or Bid Security Declaration Form (Annexure-III). Only those bids found to have duly submitted NSIC/MSEs registration certificate or Bid Security Declaration Form (Annexure-III) shall be considered for evaluation.

20. Evaluation of Technical Bid: The bids received will then be assessed on the eligibility criteria mentioned of Notice Inviting Tender. Bids found not meeting the eligibility criteria shall be considered non-responsive and shall be rejected summarily.

21. IITKGP retains the right to revert back to individual bidders with further clarifications / queries on the Technical Bid. The bidder has to respond to the queries within the specified time mentioned in the covering letter.

1.2.17. EVALUATION OF Financial Bids: The Financial Bid should contain the complete bid document with duly filled in Schedule of Financial Quote. Financial Bids opened as above will be checked for arithmetical errors.

1.2.18. Letter of Award (Work Order) shall be issued to the successful bidder only after receipt of the Program Schedule with specific Milestones to be achieved as to complete the work within the stipulated time limit, details of his Technical Staff to be deployed as per ANNEXURE-I, and complaint handling arrangement for the Defect Liability Period and Complaint Redressal Mechanism as per following para.

2.4.8 (a) Contractor shall submit Complaint redressal arrangement with name & contact number of the contractor’s authorized representative for the purpose.

1.2.19. Agreement (Contract) consisting of complete tender document including conditions, bill of quantities, technical proposal and specialized services, drawings, if any, and acceptance thereof together with any correspondence leading thereto, shall be drawn and signed with the awardee within10 days of the Letter of Award.
1.2.20. **Date of start** of work shall be reckoned from **the 07th day** of the issue of the Work Order.

1.2.21. **Defect Liability Period (DLP):** In partial modification to clause no.16 of General Conditions of Contract (GCC), the Defect Liability Period shall be **12 months** after the certificate final or otherwise of its completion of work or till the final bill has been prepared.

1.3. **COMPLAINT REDRESSAL MECHANISM**

1.3.1. All maintenance complaints shall be got addressed by the contractor to the satisfaction of Engineer-in-charge within 3 days from the date of issuance of the "Job Card" from IIT Kharagpur.

1.3.2. Complaints requiring completion time more than 3 days shall be responded specifically by the contractor with the scheme, in consultation with Engineer-in-charge, and timeline for compliance, to the Engineer-in-charge within 3 days from the date of issuance of the "Job

1.3.3. Any complaint left unattended by the contractor beyond 3 days without specific reasons on record shall attract levy of penalty of Rs 50/- per complaint per day from 4th day to 7th day and Rs 100/- per complaint per day thereafter recoverable from dues to the contractor.

ANNEXURE – IV

**Specification of Outdoor type Feeder Pillar box**

Supply and erection of Outdoor type Feeder Pillar box out of 3mm CRCA sheet steel materials with preferably conical top canopy, locking arrangement on front door. This should be modular type, dust and vermin proof, to be mounted on 75mmx6mm angle iron frame at a height of 750mm foot from floor or ground level or on masonry structure as the case may be of approximate dimension: 1800mmx1900mmx1000mm.

1) The contractor should submit the GA diagram for getting approval the INSTITUTE before placing order for fabrication.

2) The box should have powder coated painting after 7 tank chemical processing and should be guaranteed for one year after successful commissioning at side.

3) The job involves repairing and checking of Departmental PCC panel after placement into new Feeder Pillar box.

4) The PCC panel is to be erected and fixed inside the feeder pillar box with necessary connection & commissioning of the installations in new location to put all the loads in service without fail.
Feeder box for Materials Science office PCC Panel

General Notes:
1. All dimensions are in mm unless otherwise stated.
2. Panel shall be of 3mm thick CRC steel sheet.
3. Degree of protection IP 54.
4. All openings shall be covered by rubber gasket.
5. Each door shall be sealed with 1mm insulated multistrand copper wire.
6. 25mm x 1 no. GI for earth bar.
7. Arrangement for cable entry & exit should be from bottom with detachable gland plates.

I/We hereby agree to execute the work at ___________ % (Above / Below / At par) the departmental estimated amount

Note: All materials to be used needs prior approval of Engineer-in-charge. Any equivalent make use needs approved by Engineer-in-charge.

Signature of contractor
Special Condition for Electrical work

1. The work shall be carried out as per national code or C. P. W. D specifications for works with correction slips issued up to date unless otherwise specified in the schedule of quantities for the works.

2. The following Indian Standard Specifications and Codes of Practice will apply to the equipment and the work covered by the scope of this contract. In addition the relevant clauses of the Indian Electricity Act 1910 and Indian Electricity Rules 1956 as amended up to date shall also apply. Wherever appropriate Indian Standards are not available, relevant British and/or IEC Standards shall be applicable.

BIS certified equipment shall be used as a part of the Contract in line with Government regulations. Necessary test certificates in support of the certification shall be submitted prior to supply of the equipment.

It is to be noted that updated and current Standards shall be applicable irrespective of those listed below.

Low voltage Switchgear and Controlgear specifications
IS 13947: 1993

Part I – General

Part 2 – Circuit Breakers

Part 3 – Switch Fuse Units

Part 4 – Contactors and Motor Starters

Part 5 – Control Circuit Devices

Electrical Relays for power system protection
IS 3231: 1986

Low voltage Switchgear and Control gear assemblies
IS 8623: 1993

Marking of Switchgear busbars
IS 11353: 1985

Degree of Protection of Enclosures for low voltage switchgear
IS 2147: 1962

Code of Practice for selection, installation and maintenance of Switchgear
IS 10118: 1982

4. No under-ground work or above the false ceiling shall be covered until the same has got approved by the Engineer-in-charge. The contractor will supply the drawings of specific works for approval, if required.

5. All the old wiring has to be dismantled with proper care. The reusable old materials if any are to be handed over to departmental store with proper documentation and the other non-reusable (nil reselling value) will be disposed by the contractor. The contractor shall clear the site thoroughly of all scaffolding materials & rubbish etc. left out of his work & dress the site around the building to the satisfactions & his decision in writing shall be final & binding on all concerned.

6. Special care to be taken to avoid any theft of electrical fittings and fixtures while executing the work.

7. The location of Panel / DB / Switch board / Light point / Fan point will be as per existing location or as per the instruction of Engineer-in-charge.

8. All the wiring will be done with feruling and cable / Wire termination by required size or lugs of required materials and it should be noted that license wire man shall only be allowed for the wiring work.

Electrical safety at work site

The contractor will identify one of the supervisors for taking care of implementation of Safety systems.

The Contractor should follow the following General Guidelines governing the safety rules as laid down under:

Usage of eye protection equipment shall be ensured when workmen are engaged for grinding, chipping, welding and gas-cutting. For other jobs as and when site safety co-coordinator insists eye protection has to be provided.

1. All safety appliances like Safety shoes, Safety gloves, Safety helmet, Safety belt, Safety goggles etc. shall be arranged before starting the job.

2. All excavated pits shall be barricaded & barricading to be maintained till the backfilling is done. Safe approach to be ensured into every excavation.
3. All the dangerous moving parts of the portable / fixed machinery being used shall be adequately guarded.

4. Ladders being used at site shall be adequately secured at bottom and top. Ladders shall not be used as work platforms.

5. Material shall not be thrown from the height. If required, the area shall be barricaded and one person shall be posted outside the barricading for preventing the tre-passers from entering the area.

6. Other than electricians no one is allowed to carry out electrical connections, repairs on electrical equipment or other jobs related thereto.

7. All electrical connections shall be made using 3 or 5 core cables, having a earth wire.

8. Inserting of bare wires for tapping the power from electrical sockets is completely prohibited.

9. A tools and tackles inspection register must be maintained and updated regularly.

10. Debris, scrap and other materials to be cleared from time to time from the workplace and at the time of closing of work every day.

11. All the unsafe conditions, unsafe acts identified by contractors, reported by site supervisors and / or safety personnel to be corrected on priority basis.

12. No children shall be allowed to enter the workplace.

13. All the lifting tools and tackles shall be stored properly when not in use.

14. Clamps shall be used on Return cables to ensure proper earthing for welding works.

15. All the pressure gauges used in gas cutting apparatus shall be in good working condition.

16. Proper eye washing facilities shall be made in areas where chemicals are handled.

17. Connectors and hose clamps are used for making welding hose connections.

18. All underground cables for supplying construction power shall be routed using conduit pipes.

19. Spill trays shall be used to contain the oil spills while transferring / storing them.

20. Tapping of power by cutting electric cables in between must be avoided. Proper junction boxes must be used.

21. Non-compliance to above shall invite a penalty recovery as per 3.22.8.
