The Liquidated Damages shall be levied, for delay in supply beyond the contractual delivery date at the rate 0.5% per week subject to maximum of 5% of contract value of the stores the delivery of which is delayed, for each month or part of a month.

7. As per Ministry of Finance, Deptt. of Expenditure, Public Procurement Division Order (Public Procurement No.1) issued from file No.6/18/2019-PPD dated 23rd July, 2020 regarding Restrictions under Rule 144 (xi) of the General Financial Rules (GFRs) 2017, it is directed that any bidder from a country which shares a land border with India will be eligible to bid in any procurement whether of goods, services (including consultancy services and non-consultancy services) or works (including turnkey projects) only if the bidder is registered with the Competent Authority i.e. the Deptt. for Promotion of Industry and Internal Trade (DPIIT). The said order will not apply to bidders from those countries (even sharing a land border with India) to which the Government of India has extended lines of credit or in which the Government of India is engaged in development projects (updated lists of the countries are given in the Ministry of External Affairs).

“Bidder” (including the term ‘tenderer’, ‘consultant’ or ‘service provider’ in certain contexts) means any person or firm or company, including any member of a consortium or joint venture (that is an association of several persons, or firms or companies), every artificial juridical person not falling in any of the descriptions of bidders stated herebefore, including any agency branch or office controlled by such person, participated in a procurement process.

“Bidders from a country which shares a land border with India” for the purpose of this Order means:
i. An entity incorporated, established or registered in such a country; or
ii. A subsidiary of an entity incorporated, established or registered in such a country; or
iii. An entity substantially controlled through entities incorporated, established or registered in such a country; or
iv. An entity whose beneficial owner is situated in such a country; or
v. An Indian (or other) agent of such an entity; or
vi. A natural person who is the citizen of such a country; or
vii. A consortium or joint venture where any member of the consortium or joint venture falls under any of the above.

The beneficial owner for the purpose of above will be as under:
1. In case of a company or Limited Liability Partnership, the beneficial owner is the natural person (s), who, whether acting alone or together, or through one or more juridical person, has a controlling ownership interest or who exercise control through other means.

Explanation-

a. “Controlling ownership interest” means ownership of or entitlement to more than twenty-five per cent of share or capital or profit of the company;
b. “Control” shall include the right to appoint majority of the directors or to control the management of policy decisions including by virtue of their shareholding or management rights or shareholders agreements or voting agreements;

2. In case of a partnership firm, the beneficial owner is the natural person (s) who, whether acting alone or together, or through one or more juridical person, has ownership of entitlement to more than fifteen percent of capital or profits of the partnership;
3. In case of an unincorporated association or body of individuals, the beneficial owner is the natural person (s), who, whether acting alone or together, or through one or more juridical person, has ownership of or entitlement to more than fifteen percent of the property or capital or profits of such association or body of individuals;
4. Where no natural person is identified under (1) or (2) or (3) above, the beneficial owner is the relevant natural person who holds the position of senior managing official;
5. In case of a trust, the identification of beneficial owner(s) shall include identification of the author of the trust, the trustee, the beneficiaries with fifteen percent or more interest in the trust and any other natural person exercising ultimate effective control over the trust through a chain of control or ownership.

An agent is a person employed to do any act for another, or to represent another in dealings with the third person.

For Works contracts, including Turnkey contracts, the successful bidder shall not be allowed to sub-contract works to any contractor from a country which shares a land border with India unless such contractor is registered with the Competent Authority.

A certificate shall be submitted by bidders in the tender documents regarding their compliance with the said order. If the certificate submitted by a bidder whose bid is accepted is found to be false, this would be a ground for immediate termination and further legal action in accordance with law. Section XIII (For Goods/ Services contracts)/ Section XIV (For Works contracts, including Turnkey contracts)

8. It is mandatory for bidders to quote items having local content more than 20%. Refer revised Public Procurement (Preference to Make in India), Order 2017 P-45021/2/2017-B.E-II dated

9. **FORCE MAJEURE**

9.1 If, at any time, during the continuance of this contract, the performance in whole or in part by either party of any obligation under this contract is prevented or delayed by reasons of any war, or hostility, acts of the public enemy, civil commotion, sabotage, fires, floods, explosions, epidemics, quarantine restrictions, strikes, lockouts, or act of God (hereinafter referred to as events) provided notice of happenings of any such eventuality is given by either party to the other within 21 days from the date of occurrence thereof, neither party shall by reason of such event be entitled to terminate this contract nor shall either party have any claim for damages against other in respect of such non-performance or delay in performance, and deliveries under the contract shall be resumed as soon as practicable after such an event come to an end or cease to exist, and the decision of SRIC, IIT KGP as to whether the deliveries have been so resumed or not shall be final and conclusive. Further that if the performance in whole or part of any obligation under this contract is prevented or delayed by reasons of any such event for a period exceeding 60 days, either party may, at its option, terminate the contract.

9.2 Provided, also that if the contract is terminated under this clause, SRIC, IIT KGP shall be at liberty to take over from the contractor at a price to be fixed by SRIC, IIT KGP, which shall be final, all unused, undamaged and acceptable materials, bought out components and stores in course of manufacture which may be in possession of the contractor at the time of such termination or such portion thereof as SRIC, IIT KGP may deem fit, except such materials, bought out components and stores as the contractor may with the concurrence of SRIC, IIT KGP elect to retain.

10. **TERMINATION FOR DEFAULT**

10.1 SRIC, IIT KGP may, without prejudice to any other remedy for breach of contract, by written notice of default, sent to the Supplier/Agency, terminate this contract in whole or in part,

   (a) If the Supplier/Agency fails to deliver satisfactorily any or all of the goods & services within the time period (s) specified in the contract, or any extension thereof granted by IIT KGP-SRIC.

   (b) If the Supplier/Agency fails to perform any other obligation(s) under the Contract;

   (c) If the Supplier/Agency, in either of the above circumstances, does not remedy his failure within a period of 15 days (or such longer period as SRIC, IIT KGP may authorize in writing) after receipt of the default notice from SRIC, IIT KGP.

10.2 In the event SRIC, IIT KGP terminates the contract in whole or in part to SRIC, IIT KGP may procure, upon such terms and in such manner as it deems appropriate, services similar to those undelivered and the Supplier/Agency shall be liable to SRIC, IIT KGP for any excess cost for such similar supplies. However, the Supplier/Agency shall continue the performance of the contract to the extent not terminated.
11. REJECTION:

In the event that any of the stores supplied by the Contractor is found defective in material or workmanship or otherwise not in conformity with the requirements of the Contract specifications, the purchaser shall either reject the stores or request the Contractor, in writing, to rectify the same. The Contractor, on receipt of such notification, shall either rectify or replace the defective stores free of cost to the purchaser. If the Contractor fails to do so, the purchaser may at his option either –

(a) replace or rectify such defective stores and recover the extra cost so involved from the Contractor, or
(b) terminate the Contract for default as provided under clause 8 above, or
(c) acquire the defective stores at a reduced price considered equitable under the circumstances. The provision of this article shall not prejudice the Purchaser’s rights.

12. REPLACEMENT:

If the stores or any portion thereof is damaged or lost during transit, the Purchaser shall give notice to the Contractor setting forth particulars of such stores damaged or lost during transit. The replacement of such stores shall be effected by the Contractor within a reasonable time to avoid unnecessary delay in the intended usage of the Stores. In case the purchaser agrees, the price towards replacement items shall be paid by the purchaser on the basis of original price quoted in the tender or as reasonably worked out from the tender.

13. TERMINATION FOR INSOLVENCY

SRIC, IIT KGP may at any time terminate the Contract by giving written notice to the Supplier/Agency, without compensation to the Supplier/Agency. If the Supplier/Agency becomes bankrupt or otherwise insolvent as declared by the competent court provided that such termination will not prejudice or affect any right of action or remedy which has accrued or will accrue thereafter to SRIC, IIT KGP.
SECTION - IV

Special conditions of the Contract: -

1. The special conditions of the contract shall supplement the ‘Instructions to the Bidders’ as contained in Section II & "General Conditions of the Contract" as contained in Section III and wherever there is a conflict, the provisions herein shall prevail over those in Section II and Section III.

2. If the date fixed for opening of bids is subsequently declared as holiday by the Government of India, the revised schedule will be notified. However, in absence of such notification, the bids will be opened on next working day, time and venue remaining unaltered.

3. Purchaser reserves the right to disqualify such bidders who have a record of not meeting contractual obligations against earlier contracts entered into with the purchaser.

4. Any clarification issued by purchaser in response to query raised by prospective bidders shall form an integral part of bid documents and it may amount to amendment of relevant clauses of the bid documents.

5. Purchaser reserves the right to blacklist a bidder for a suitable period in case he fails to honour his bid as per bid declaration form.

6. The bidder has to arrange demonstration of the product to be supplied at his own cost.

7. The Agency shall be responsible for compliance of all applicable laws, codes, statutory Regulations & established practice as required for performance of services under this contract. Whether now in force or which may hereinafter come in force during the currency of the contract and or extension thereof.

8. Invoices should be in the name of The Dean (SRIC), IIT Kharagpur, Kharagpur-721302, Dist: Paschim Medinipur, West Bengal, India.
SECTION – V

DETAILED TECHNICAL SPECIFICATIONS

Name of the Equipment: Indirect Tensile Split Hopkinson Pressure Bar Device

Quantity – 01 No.

Split Hopkinson pressure bar is used for testing responses from the material at strain rate loading. The vendor is intended to design and manufacture and to provide after sales support and repair for the quoted setup.

The system shall consist of following components:

1. **Base:**
   a. A sturdy base of 8000 mm fabricated out of Mild Steel or Aluminium sections.
   b. The base should be stress relived to achieve greater stiffness for high energy impacts.
   c. Provision should be made to adequately fix the base on the floor and levelled using levelling screws.
   d. Base must be flat at 1mm/meter to maintain the alignment of the support bar and in-turn the test rods
   e. Base should contain lifting hooks to easily move the machine.
   f. The base should be designed such a way that a slidable bar supports and for Gas Gun to test in both compression & tension mode in the same base.

2. **Rods:**
   a. Test rods for conducting tests on SHPB/SHTB should be made of Maraging C250 and Aluminium 7075 grade.
   b. Diameter of the rod should be of 45 mm and length should be of 3000 mm (2 Nos), 100, 200, 300 & 400 mm (1 Nos each)
   c. Material certificate on the supplied rods should be provided.
   d. The rods should be straight 0.1mm/m and without any blowholes.
   e. Eccentricity in the rods should be limited to 0.1mm/m.
   f. Vendors should provide the Pochhammer-Chree Dispersion factors (frequency vs Wave speed) for the 45mm diameter rods which they are supplying (tension and compression) through their testing at a very high sampling rate (above 5MHz) for a 200 mm striker hit.

3. **Momentum Trap:**
   a. Momentum trap should successfully be able to eliminate multiple wave interference in the bar due to reflection after impact.
   b. Positioned at the start of the incident bar
   c. Sleeve Type construction.

4. **Striker geometry variation:**
   a. Vendor should provide striker Geometries variation attachments for pulse shaping.
   b. Geometrics attachment for striker bar
5. **Strain Amplifier:**
   a. The SHPB systems should be supplied along with Signal conditioning Strain amplifier (Vishay Precision Group – Model 2310B)

6. **Software Package:**
   a. The supplied SHPB system should consist of rugged software enabling to control and acquire high speed strain data.
   b. The control software should have features like wave dispersion correction, post processing the data to present it as engineering stress-strain curve as well as true stress-strain curve, strain rate measurement.
   c. Suitable display system to indicate incident and transmitted pulses, velocity of the incident bar should be supplied by the manufacturer.
   d. Functionality to provide raw data captured during test without amplification or filtering.
   e. Software should have adequate shielding of data channels from external noise as well as sound noise suppression algorithms for any internal process noise.
   f. Real time capture and display of data.
   g. Export option into MS Word/MS Excel to be provided.

7. **Velocity Measurement System**
   a. A laser interrupt-based velocity measurement system with necessary accessories should be supplied with the SHPB system to measure the velocities of the striker bar.
   b. The velocity measurement system should be suitably placed on the SHPB system to measure the velocities of the striker bar just before the impact with incident bar.
   c. Necessary accessories required for velocity measurement system as well as its calibration report should be provided.

8. **Static Loading attachment for SHPB:**
   a. Test rig should provide attachment for testing static loading to the specimen along with the dynamic impact loading as in with SHPB.
   b. Provision should be provided by the supplier, were-in a static load is applied to the component and in which the loading can be controlled.
   c. A suitable load cell must be provided to measure the static load.
   d. The load values should be recorded in the software.

9. **Accessories:**
   a. All necessary accessories like pneumatic systems, valves, regulators, fail safe valves to be provided along with the system.
   b. All necessary electrical items that constitute the total system should be provided like SMPS, Circuit breakers, Relays.

**General Terms & Conditions:**

1. Vendors should have supplied similar systems (equivalent velocity) to any Government Research or Government Educational Institutions or Lab.
2. Vendors should provide AMC’s once the warranty period is completed.
3. The necessary tool kit required for operation and maintenance of SHPB system should be supplied with the SHPB system.
4. Equipment manufacturer must supply necessary consumables required for testing and maintenance of SHPB system such as lubricant, tools for bar alignment, spray for removing moisture and rust from the bars, etc.
5. Free upgrade and maintenance of the software shall be provided.
6. The SHPB system should be upgradable in future to mount the High-speed camera and LED lights, and furnace for high temperature testing.
7. SHPB system should be installed with necessary installation and operational manuals.
